BIPAC Action Fund Endorses Pro-Jobs Nevada Candidates

Business-Industry Political Action Committee Supports Joe Heck and Cresent Hardy

WASHINGTON DC – The Business-Industry Political Action Committee’s Action Fund endorses the candidacies of Joe Heck for U.S. Senate and Cresent Hardy for Nevada’s 4th Congressional District. This endorsement means a consensus amongst BIPAC members and Nevada employers was met that these candidates would be the strongest advocates for growing America and the state’s economies.

“In the U.S. House, Dr. Joe Heck has proven to be a champion for jobs and free enterprise. The Congressman received a 100% voting record in BIPAC’s 113th Congress. He additionally has fought to protect Nevada from unnecessary regulations that would close business and cost Nevadans jobs,” said Andrew Blascovich, director of political affairs at BIPAC.

Joe Heck is running in the open U.S. Senate seat race that was vacated by retiring Senate Minority Leader Harry Reid. It is the only Democratic-held U.S. Senate seat where competition exists and is a true toss-up.

“Cresent Hardy understands job creation,” said former-U.S. Congressman and current BIPAC President and CEO Jim Gerlach. “Hardy brought his experience as the chairman of the Nevada State Assembly’s Small Business Subcommittee on Investigations to the U.S. House – where he sits on the Small Business Committee. He scored a perfect 100% on BIPAC’s 113th scorecard, 98% on the National Association of Manufacturers, 92% from the National Retail Federation, and 85% from the U.S. Chamber – in each of their 2015 scorecards,” continued Gerlach.

With an unemployment rate of 5.8% in the state, according to the U.S. Bureau of Labor Statistics, Nevada can benefit from Heck and Hardy’s leadership in Congress to bring jobs and investment to the state.

All candidates endorsed and supported by the BIPAC Action Fund have been recommended and vetted by a non-partisan volunteer committee of business who represent various industries. The endorsements were vetted by local businesses and business groups who participated in the decision making process.
