BIPAC Action Fund Endorses Pro-Jobs Pennsylvania Candidates

Business-Industry Political Action Committee Supports Toomey, Costello, Fitzpatrick, Meehan, Shuster, and Smucker in the Keystone State

WASHINGTON DC – The Business-Industry Political Action Committee’s Action Fund endorses the candidacies of Pat Toomey for U.S. Senate and the U.S. House candidates of:

- 6th Congressional District: Ryan Costello
- 7th Congressional District: Patrick Meehan
- 8th Congressional District: Brian Fitzpatrick
- 9th Congressional District: Bill Shuster
- 16th Congressional District: Lloyd Smucker

These endorsements mean that a broad consensus amongst BIPAC members and Pennsylvania employers were met that these candidates would be the strongest advocates for growing America and the commonwealth’s economies.

“Pennsylvania’s 5.7% unemployment rate is too high,” said former-Pennsylvania Congressman and current BIPAC President and CEO Jim Gerlach. “We need to bring jobs and investment back to Pennsylvania and Pat Toomey, Ryan Costello, Patrick Meehan, Brian Fitzpatrick, Bill Shuster, and Lloyd Smucker are the right kind of legislators to help the private sector do that,” continued Gerlach.

All candidates endorsed and supported by the BIPAC Action Fund have been recommended and vetted by a non-partisan volunteer committee of business who represent various industries. The endorsements were vetted by local businesses and business groups who participated in the decision making process.

BIPAC was founded in 1963 as a non-partisan coalition and is dedicated to increasing the political effectiveness of America’s business community. The Action Fund, the non-connected political action committee of BIPAC, helps elect candidates to the U.S. Congress with a demonstrated record of supporting economic growth and job creation.
About BIPAC
The Business-Industry Political Action Committee was founded in 1963. Through its Political Action Fund it works to elect pro-business candidates to Congress. BIPAC’s Business Institute for Political Analysis carries out extensive programs of political analysis, research and communications on campaigns and elections, and fosters business participation in the political process.
