BIPAC Action Fund Enters 2018 Elections Early with an Endorsement of Dean Heller
America’s First Pro-Business Political Action Committee Supports Pro-Jobs Candidate

WASHINGTON DC – Today, the Business-Industry Political Action Committee’s Action Fund has announced its endorsement of Dean Heller in his re-election campaign for the U.S. Senate.

"Senator Heller has been a staunch supporter of the business community,” said BIPAC President and CEO Jim Gerlach. “The changing demographics in Nevada have led to the state to become more electorally competitive and our early endorsement of Sen. Heller sends a clear signal from the business community that his common-sense approach to governing is what is needed now more than ever in D.C.,” continued Gerlach.

Heller’s 2016 voting record includes 100% ratings by BIPAC, the National Federation of Independent Business, and the U.S. Chamber of Commerce. Additionally, Heller received a 100% rating in 2015 by the National Retail Federation and a 96% rating by the National Association of Manufacturers.

Senator Heller was sworn in to the United States Senate on May 9, 2011. Prior to his service in the Senate, Senator Heller was the Representative for Nevada’s Second Congressional District and also served as Nevada's Secretary of State and in the Nevada State Assembly representing Carson City.

All candidates endorsed and supported by the BIPAC Action Fund have been recommended and vetted by a non-partisan volunteer committee of BIPAC business leaders who represent various industries. The endorsements were vetted by local businesses and business groups who participated in the decision-making process. The endorsement will be communicated to hundreds of business organizations and associations.
